Our Lent Focus: Climate Change

How might the simplicity of Lent help us live sustainably?

Our church focus for the season of Lent this year is Climate Change. There are many ways that this season connects - the idea of being in the wilderness, of giving up certain things, reflecting inwardly on our lives, living more simply, etc! We will begin this season in worship on Sunday, March 1 with the opportunity for people to place a symbol of their Lent commitment in a special box (i.e. to reduce use of plastics, etc.). Please consider what you might do/bring!

Other ways that we will mark this season include a special time in worship on March 29 where youth will help to lead prayer stations, bike rides and workshops led by Camille Grant, a community clean-up in April, and a Blue Theology retreat for middle schoolers in May. We are so fortunate to live in a gorgeous place where it is easy to get outside and enjoy God’s creation all year round. Please consider what you as an individual or together as a family might do this year to live more sustainably this Lent - and beyond!
Youth Update

Our 10:45am youth class continues to learn about a different world religion each month - and March is all about Hinduism! We hope to have some guest speakers and site visits but request your assistance to set these up and make contacts! Do you have any friends or colleagues who might be able to help to teach us? Thank you!

For high schoolers, we are now volunteering at the Samaritan House meal program on 2nd Wednesdays of the month from 4-5:30pm at the Mason’s Hall (right near CCSM). This is a great way to serve the community and build your resume! We had a lot of fun doing this in February.

On Wednesdays, our youth continue to discuss current events and play lots of board games, and plan special intergenerational events. We are looking for adult volunteers to help with this program especially. If you are available even infrequently on Wednesdays from about 7-8:30pm, it would be wonderful to have you! It is a great group of youth and the time together concludes with a delicious meal.
